Principals Report:

Budget updates – money dedicated to Playworks (technical support program), this year we have some money to play with, general supply category has some flexibility, most of our program is paying for the highly-qualified paraprofessionals to provide step-in services in the classroom.

Land Trust Plan – any member of the public can go to schoollandtrust.org and see these plans, focus is reading and writing, Playworks coach (Virginia Poe) is very involved schoolwide,

EEP smart goals - goal setting with grade level teams, overall school goal setting, interim assessments reflect neighborhood classrooms, this year look more at how many kids showed growth or stayed with their cohort, notes coming home next week regarding last year's testing

Begin thinking in January what to do with money for next year

DIBELS and Interim results EoY 2019 - Why is enrollment down? It is down across the district. Housing prices up. Families are moving out of the area. State goal setting is around DIBELS.

SIC Report:

Halloween – Parents invited to come see lower grades K-2 do a parade outside at the beginning of the day and upper grades 3-6 will parade through classrooms inside, wear costumes to school, rules: cannot have majority of face covered, no masks, no weapons

SIC voted for option 1 for the new school calendar. No information yet on what the final choice was.

Anne Harges has the electronic copy of PTA & SCC roles and responsibilities handout. Dr. P requests we add STT (School Transformation Team) as a little bubble on the bottom.

Dr. P reconciled the two SCC voting members lists. We will wait for Paul to be here next meeting to hold elections.

SLCSD sponsoring a "What is my child doing with their smartphone?" information night.

Meeting adjourned at 6:50pm.
